

## *Dear Will Strong Supporter,*

As we reflect on eight years of the Will Strong Charity Golf Event in partnership with the Pediatric Cancer Research Foundation, we are deeply grateful to each of you who have stood with us in honoring the memory of our son, Will Irwin. Your unwavering support and participation have not only inspired us but have made a powerful impact in the fight against pediatric cancer.

Thanks to your generosity, we have raised over \$3.4 million for cutting-edge research that is paving the way for new treatments—and ultimately, a cure—for this devastating disease. These funds have supported critical work in research, equitable care, and mental health and survivorship programs. Together, we have fostered hope and made meaningful strides in the lives of countless children and their families.

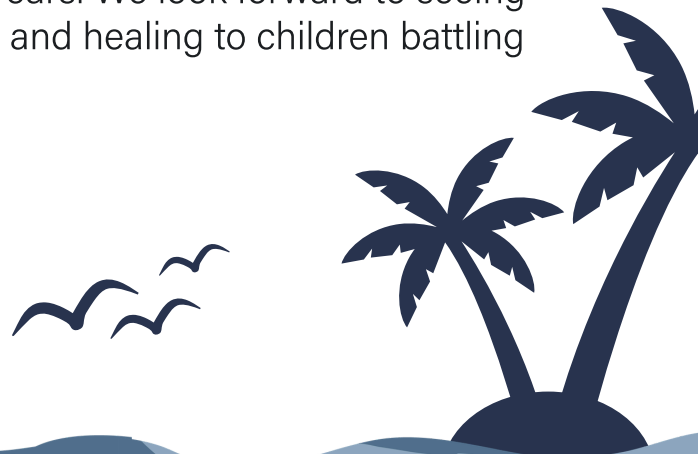

[We are excited to invite you to our eighth annual charity event on September 28, 2026, at The Huntington Club in Huntington Beach.](#) This special day, featuring our annual golf tournament and Will's Birthday Bash, is a heartfelt celebration of our angel Will and a continued commitment to the mission we share. Your presence and participation will help advance the research and initiatives that are truly making a difference.

Thank you again for your steadfast support over the years. We look forward to seeing you as we celebrate Will, and continue bringing hope and healing to children battling cancer.

*With Heartfelt Appreciation,*

Joanna and Michael Irwin  
(Will's Mom & Dad)
